U.S. Communities™ Government Purchasing Alliance is the leading national government purchasing cooperative that reduces the cost of goods and services by aggregating the purchasing power of public agencies nationwide. U.S. Communities provides participants with access to a broad line of competitively solicited contracts with national suppliers that have committed to providing their lowest overall public agency pricing. Each month more than 500 new public agencies register to participate. This continuing rapid growth is fueled by the program's proven track record of providing public agencies unparalleled value and the best government pricing available.
